User Search

The screenshot shows a Microsoft Internet Explorer browser window titled "JCHAT Login Console - Microsoft Internet Explorer". The address bar contains the URL ")/jchat-user-search.jsp?username=". The page content is titled "Jive Messenger Admin Console" and includes a "Logout [michael]" link. The main content area is titled "User Search" and features a search form with the following elements:

- A label "Search For User" above a text input field.
- A label "Username:" followed by a text input field.
- Two buttons: "Search!" and "Cancel".

The left sidebar contains a navigation menu with the following sections:

- Users**
 - User Summary
- User Options**
 - User Properties
 - Password
 - User Search (highlighted)
- Group Chat**
 - Room Summary

The status bar at the bottom of the browser displays the text "Click to search for a particular user" and the "Internet" logo.

Create New User

The screenshot shows a Microsoft Internet Explorer browser window titled "JCHAT Login Console - Microsoft Internet Explorer". The address bar displays the URL ")/jchat-user-create.jsp". The page content is titled "Jive Messenger Admin Console" and includes a "Logout []" link in the top right corner. The main content area is titled "Create User" and contains the following text: "Use the form below to create a new user." Below this is a form titled "Create New User" with the following fields: "Username: *" (containing "another"), "Name:", "Email:", "Password: *" (with a small eye icon), and "Confirm Password: *". A legend below the form states "* Required fields". At the bottom of the form are two buttons: "Create User" and "Cancel".
